**WOOD'S WHITE PROLIFIC CORN**

An outstanding two-ear corn, similar to Hasting's White Prolific, but much flintier. An excellent pure white field corn for all Southern States, medium size grain, exceptionally flinty, weevil resistant, having a good shuck, strong stalk and well adapted for crib corn in the South.

# Items of Special Interest

Soybeans will be supported by the Government at \$2.45 per bu. With new crop Soybeans now selling between \$2.90 and \$3.00 per bu. on the Chicago Exchange there should be a heavy demand for good seed stocks. Andrew Oats, highly recommended by Virginia Extension and U. S. Department of Agriculture, as making the highest yield of all other Spring Oats. Kennebec Potatoes, available now for the first time—the highest yielding of all late potatoes.
